See attached—below is a description of the few changes.

We originally inserted a 45-day period with which CDEs needed to provide an affidavit from insurance companies showing that they had capacity and interest to participate. We no longer believe this is necessary as a barrier because of the federal matching preference and, in fact, it could keep qualified groups from participating because the credit percentage drop from 60% to 45% will put additional strain on the fundraising process. We don't want this provision to arbitrarily exclude any top participants as we need more money in WV, not less.
